Hello,

In regard to your **2011 Toyota**

Your vehicle registration(s) have been completed and they are in your box. To set up a shipment please log into our website at www.Americas-Mailbox.com to schedule a shipment. Note: We may have set up a shipment for you already if you have left instructions to do so.

If you have a clear title, your title(s) will be created and sent by the state of South Dakota to your PMB address in about 6 to 8 weeks.

If there is a lienholder, they have received the information regarding South Dakota's electronic titling procedures.

Thank You,
The Crew
ED
